

# Thorn Grove Gazette

Friday 10th March 2023

Dear Thorn Grove Families,

Welcome to this week's edition of Thorn Grove Gazette- thanks goodness as I write this the snow has passed and the sun is shining!

In school this week we have made great progress towards the creation of our new library and a full audit of our current bokos has taken place. This has resulted in a book sale after school organised by our Y6 Leadership Team and Mrs Tweddele.

I hope your homes can benefit from an array of new books, while the funds raised will ensure we can purchase a range of exciting and current new titles. Watch this space!

Have a lovely weekend

Miss Vose

**Return your Bags2School  
by 9am**

## Weekly Attendance

This week's

**Star of  
the  
Week**

## PTA Bingo and Quiz Night

Bingo and quiz night on **Friday 17th March**. Doors open 6:30pm. Bingo starts at 7pm. There will be a break in the middle followed by a quiz. Maximum of 6 people per team. Finish time will be approximately 9pm. Adults only. Friends and family welcome. There will be a bar to purchase drinks. Please feel free to bring your own snacks.

Tickets are £6 and can be purchased via schoolmoney or on the night.

Contributions for prizes will be gratefully received. If anyone has a business and can offer a voucher that would be fantastic. Small items are also welcome as these can be made into a hamper.

## Turkey and Syria Earthquake Appeal

Over the last 2 weeks a group of Year 5 girls; Arianna, Fiona, Tulin and Isabel have been selling loom band jewellery to raise money for the Earthquake appeal. The girls have initiated this fundraising all by themselves, created their own product, marketed their ideas and given up their playtime to raise money. They have raised £90, which has then been increased to £400 through generous parental donations.

Well done for showing Mutual Respect, our value of the week!

## Y3 Stone Age Trip

Year 3 finally got to go on their Stone Age Day at Tatton Park, this week. They completed workshops on food and tools, shelters and the importance of fire. They also learnt how to track deer, just like a true hunter.

The cold and snow didn't dampen their enthusiasm and they were complimented on their knowledge and vocabulary, by the Tatton Park guides.
