

Thorn Grove Gazette

Friday 28th April 2023

Dear Thorn Grove Families,

Welcome to this week's edition of Thorn Grove Gazette. Today in assembly we have welcomed our new Head Boy, Jackson and Head Girl, Imogen. We are very much looking forward to seeing them support other children around school.

Today has been a particularly wonderful day in school as we have welcomed visitors from our Muslim community to find out more about the celebration of Eid.

Thank you to Miss Beale for organising not just this event but also the particularly inspiring assembly Year 3 delivered to their parents and KS2 yesterday.

Have a lovely long weekend

Miss Vose

Week**

Orla's Charity Sale

Being kind and helping the community is still going strong at Thorn Grove. This week we are recognising the commitment and kindness of Orla in Year 4. She has been selling various items to raise money for The Little Princess Trust; a charity aimed at supporting young Cancer patients who have lost their hair. Orla raised £50.40 for this incredible charity.

Well done Orla!

Eid Mubarak

What an exciting morning at Thorn Grove, today. We have been lucky to have members of our school community and Cheadle Mosque spend the morning with us to share in belated Eid celebrations. Every child from our Nursery up to Year 6 has had the opportunity to find out about the importance of prayer, learn about mehndi, try on some clothes that would be worn for a celebration as well as share in some cake and sweet treats. The excitement of the grown-ups and children alike shone through and we want to thank Mrs Dar for helping to organise it and the other visitors, who have given up their time for our children. We can't wait for the next one!
