

Thorn Grove Gazette

Friday 23rd June 2023

Dear Thorn Grove Families,

Welcome to this week's edition of Thorn Grove Gazette.

It was so lovely to see so many of you at Key Stage 1's Sports Day. I think we are all in agreement that the children showed great spirits and attitude in all their events. I also thought it particularly special to see our Year 6 Leadership team supporting and helping to organise this event.

Last week our School Council met with one of our new School Governors and I had tasked them with naming our new before and after school club provision. As a collective they decided it will be called 'High Flying Blue Birds' to combine the school's mission statement and our school colours. Thank you to the School Council for your discussion and excellent decision making.

Weekly Attendance

This week's

Star of the Week

Year 5 First Aid Training

On Thursday year 5 participated in Millie's Trust First Aid training. This was a fantastic experience for the children to develop their skills and understanding of helping others. The Y5's learnt how to give CPR to babies, children and adults, how to put someone into the recovery position and lots of other first aid necessities.

Y5 managed to raise a fantastic £98.50 last Friday for their Ice pop sale which has been donated to Millie's Trust. Year 5 would like to say a huge thank you to Millie's Trust for providing them with First Aid training and equipping them with the skills they need to support and help others.

Fridge Needed

Does anyone have a fridge they are no longer using or know someone who does? We need a new one for our Nursery and want to check in the community before we spend school funds.

School Dinner Update

Updates have been made to a small number of meals on our menus to ensure the best seasonal meals are available for the remainder of term. Please log in to LunchHound to update your child's choices.

Key Stage 1 Sports Day

Well done to all the children for great participation and a special well done to Red Team!
