

Christ with All Saints' ***Music School***

Heaton Norris

*Specialist, affordable musical training for
children aged 6 and above*

Most children have the desire to learn to play a musical instrument at some point. This, however, can often be prohibitively expensive, especially for families with more than one child. The cost of an instrument alone is a huge outlay followed by the cost of lessons which can often become a financial burden.

In response to this, Christ with All Saints' Church runs a music school specifically aimed at providing music tuition for local children between the ages of 6 and 16 at an affordable cost. Beginners are welcome. The cost is £1 for two hours' tuition, each week (payable termly). The music school also possesses a number of instruments which, where possible, are available on loan to pupils of the music school, at no extra charge.

Christ with All Saints' Music School aims:

- To provide very low cost (£1 per week) musical education for local children.
- To give each pupil an intensive professional education in his/her musical discipline.
- Prepare each pupil with a solid foundation in music.
- To offer the highest quality music instruction and performance opportunities.
- To improve educational opportunities for local children

The music school runs on Saturday mornings during term time from 10:00am to 12:00pm.

Children study the following subjects:

- An instrument of their choice. Depending upon availability this is a choice between piano, classical organ, electronic keyboard, violin, viola, cello, flute, clarinet or brass.
- Aural training.
- Music theory.
- Ensemble.

In addition, children in the music school will be expected to sing in the youth choir and, when they have reached an appropriate standard, join the orchestra or other ensemble group. These also take place on a Saturday morning.

When ready, children then have significant opportunity to extend their musical training within the music scheme at CwAS by joining the regular choir and/or the band

The music school will be staffed by volunteers who are qualified teachers. In addition, some instrumental tutors volunteer from Royal Northern College of Music, providing tuition from other instrumentalists. All staff are fully DBS checked where appropriate and the church has full child protection policies and procedures in place.
